# For a healthier looking complexion

Bio-compatible hydration, hyaluronic infused

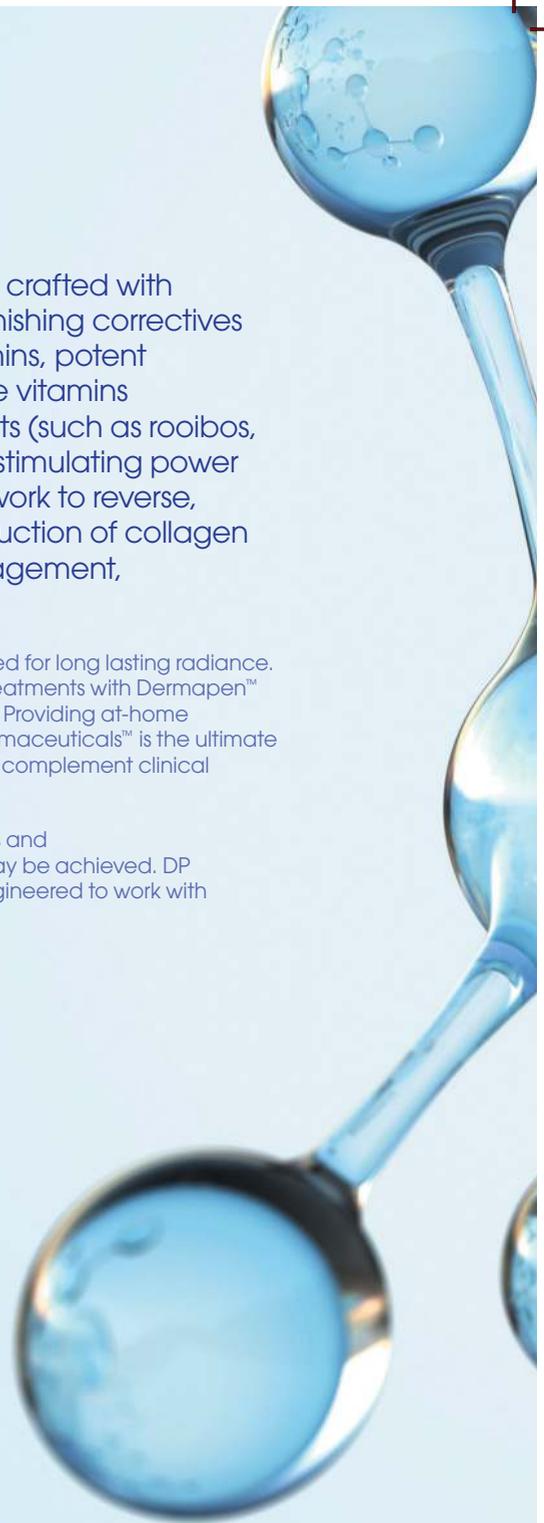

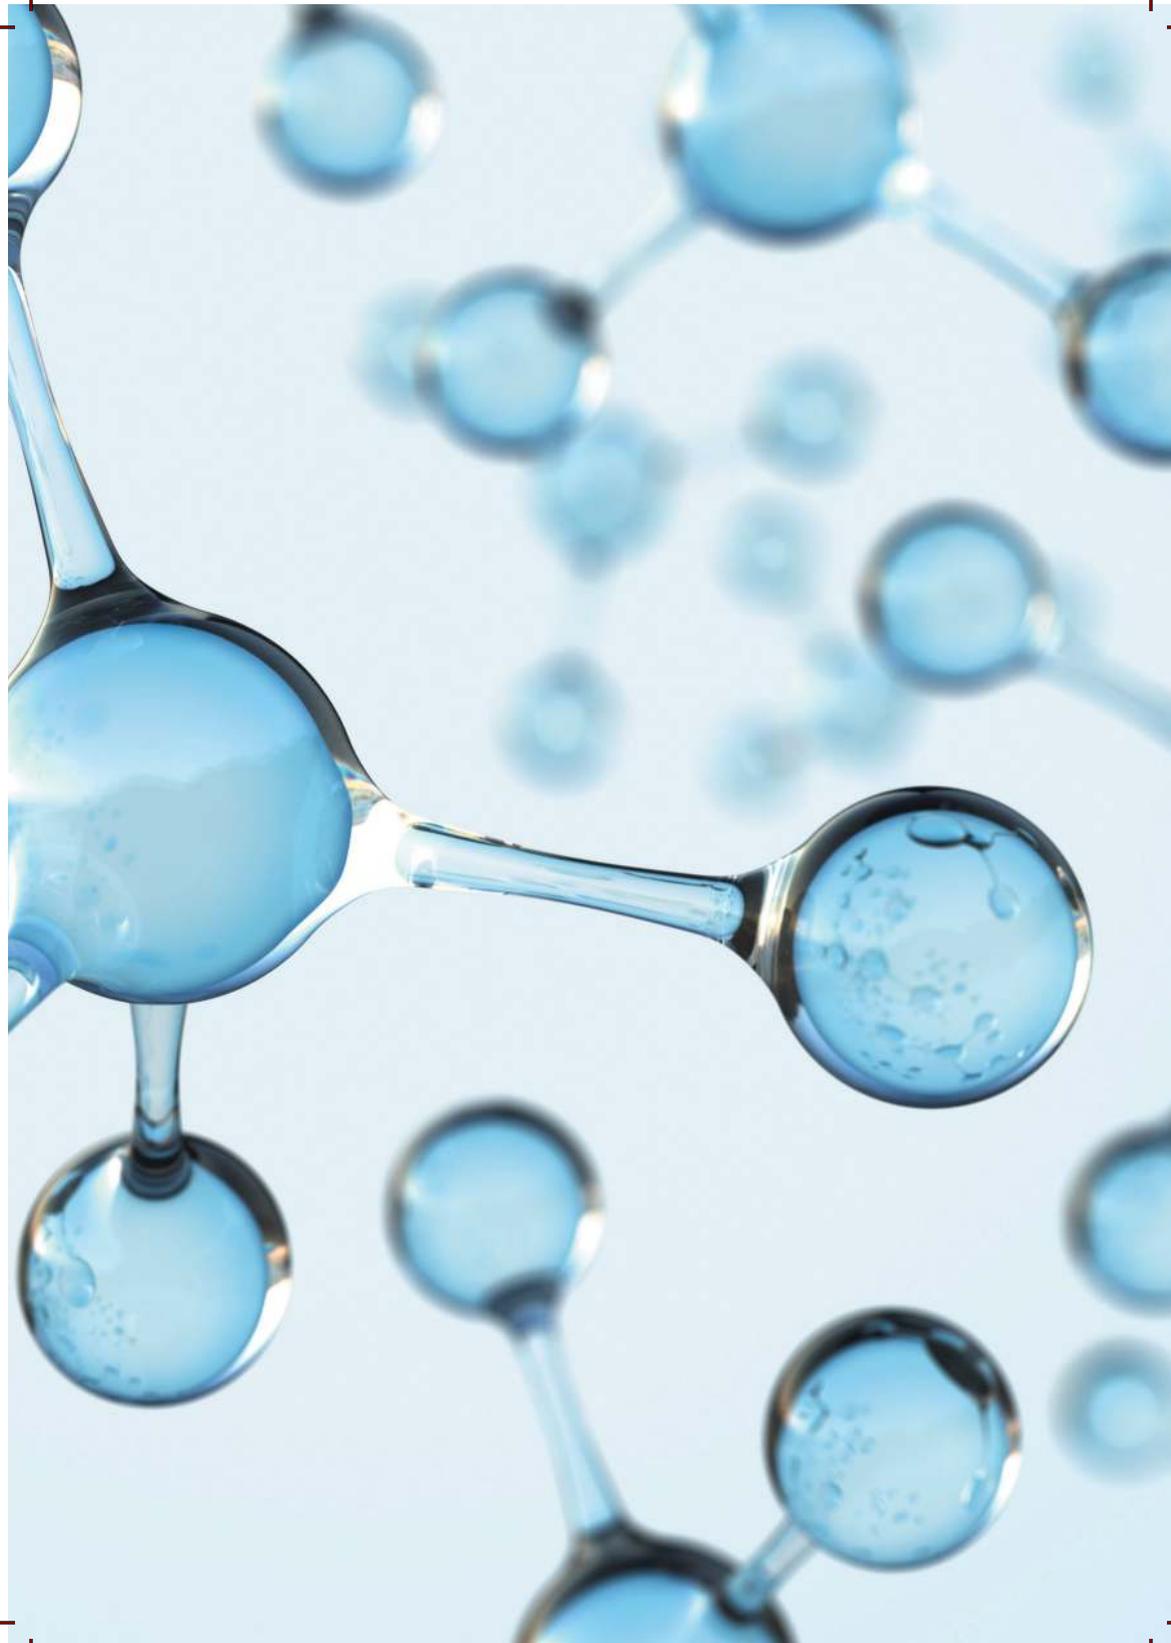

DP Dermaceuticals™ are meticulously crafted with age-defying, rejuvenating and replenishing correctives including power peptides, multi-vitamins, potent antioxidants with organically. Intensive vitamins (such as vitamin A, B, C, E) antioxidants (such as rooibos, resveratrol) combined with collagen-stimulating power peptides (such as copper peptides) work to reverse, prevent and repair imbalanced production of collagen and elastin, pigmentation, scar management, problematic conditions and more.

The skin is visibly smoother, re-texturized and plumped for long lasting radiance. The daily use of DP Dermaceuticals™ and regular treatments with Dermalpen™ enable long lasting correction and skin fortification. Providing at-home maintenance, pre and post-operative care, DP Dermaceuticals™ is the ultimate skin prescription that may be used to enhance and complement clinical rejuvenation procedures.

Recommended by plastic surgeons, dermatologists and aestheticians, impressive and long-lasting results may be achieved. DP Dermaceuticals™ are specifically designed and engineered to work with Dermalpen™ skin needling procedures.

## Triphase Cleanser™

A revolutionary facial cleanser that transforms from a balm to a gel when massaged into the skin, then converts to a milk when water is added. Protects the skin moisture whilst gently removing make up and impurities.

### Key benefits

- Gently and effectively washed away dirt, make up and impurities.
- Diminishes the appearance of fine line, wrinkles and uneven skin tone.
- Nourishes and comforts.
- Improves hydration in and around the skin cells.
- Leaves skin clean and fresh.
- Easy to apply gel texture.
- Appropriate for all skin types.

### Doctor's tips

- Triphase Cleanser may be used daily.
- Removes water-proof and transfer-resistant make up.

### Method of use

Apply a small amount to dry skin and gently massage into the skin in a circular motion, whilst adding water, to continue to remove make up and impurities.

### Key ingredients

Grape Seed Oil, Rice Bran Oil, Vitamin C, Vitamin E, Hylafuse Complex.

## Microderm Exfoliant™

A versatile cleanser and exfoliant in one. Micro Derm rapidly purifies and clarifies to reveal and renewed and healthy-looking complexion.

### Key benefits

- Gently and effectively removes dirt, make up and impurities.
- Refines and softens skin.
- Removes dulling residue and dead skin cells.
- Leaves skin clean and fresh.
- Diminishes appearance of fine lines, wrinkles, pores and acne scars.

### Doctor's tips

- Do not use Micro Derm on eye areas.
- Microderm may be used on face and body.
- Can be used on sensitive skin types.

### Method of use

Apply a small amount to dry skin and gently massage into the skin in a circular motion. For pigmented skin types mix with Brite Lite and for aged skin types mix with Antioxidant Cocktail.

### Key ingredients

Bamboo Powder, Shea and Mango Butters, Aloe Vera and Cucumber Extracts.

## Hyla Active™

An intensive moisture infusion that delivers the feeling of deep hydration, comfort and repair. Hyla Active restores harmony to all skin types and conditions.

### Key benefits

- Forms a 'second skin' to deliver immediate effect.
- Infuses a feeling of deep hydration, comfort and repair.
- Reduces and diffuses the appearance of visible redness and inflammation.
- Promotes regeneration and repair for a younger-looking skin.
- Plumps and smooths the signs of environmental ageing.
- Can be used as an oil-free primer for flawless make-up application and increased foundation longevity.
- Helps reduce the appearance of fine lines and pores for a flawless smooth finish.

### Doctor's tips

- Always ensure daily use and re-application of a sunscreen such as Cover Recover.
- Hyla Active provides a protective hydration layer, which is particularly required after Rejuvenation Treatments.
- Suitable for all skin types; all skin conditions.

### Method of use

After cleansing and exfoliating the skin apply 2-3 pumps of Hyla Active™ to dry skin. Massage lightly until absorbed.

### Key ingredients

HylaFuse Complex, Zinc, Vitamin B5 (Pantothenic Acid) .

## Vitamin Rich Repair™

A replenishing solution that promotes intensive repair and structure. Vitamin Rich Repair visibly strengthens vulnerable complexions.

### Key benefits

- Nourishes and comforts for increased resiliency.
- Softens the appearance of fine and deep lines.
- Visibly firms and lifts atrophied contours.
- Promotes intensive rebuilding and repair.
- Equalises the effects of imbalanced function.

### Doctor's tips

- Always ensure daily use and re-application of a sunscreen such as Cover Recover.
- Vitamin Rich Repair may be suitable as a corrective moisturiser for all skin types.
- Use Vitamin Rich Repair immediately after rejuvenation treatments such as skin needling.
- Use once or twice daily at least 10 days prior to rejuvenation procedures as a skin prep.

### Method of use

Apply Vitamin Rich Repair at home twice a day for the next 5 days for healing. After cleansing the skin apply 2-3 pumps of Antioxidant Cocktail to dry skin. Massage lightly until absorbed. For AM applications; Follow with the application of Cover Recover sunscreen. For dehydrated, aged or sun-damaged conditions, 2-3 pumps of Vitamin Rich Repair may be applied over the top of Antioxidant Cocktail, followed with moisturiser.

### Key ingredients

Vitamin A Esters (Retinyl Palmitate, Retinyl Acetate), Vitamin E (Tocopherol Acetate), Neodermyl, Resveratro, HylaFuse Complex, Glycerin, Extracts: Aloe Vera, Grape Seed Oil, Squalane, Milk, Thistle, Lady's Mantle, Horse Tail, Soy Bean Seed, Grape Vine, Spelt, Alfalfa, Radish Seed.

## Brite Lite™

A versatile corrective that inhibits excess pigment formation. It reduces the appearance of uneven skin tone, suitable for all skin types and condition.

### Key benefits

- Brightens and lightens the appearance of uneven skin tone and dark spots.
- Reduces the appearance of age spots, freckles and sun damage.
- Promotes a more even and uniform looking complexion.
- Sedates pigment formation for long lasting results.
- Imparts a luminous glow for radiant looking skin.

### Doctor's tips

- Always ensure daily use and re-application of a sunscreen such as Cover Recover.
- Depending on the condition, Brite Lite may be used up to twice a day.
- Recommended as a melanin suppressor for Fitzpatrick skin types 4+ for at least 2-4 weeks before rejuvenation treatments.
- Add 3 pumps of Brite Lite to your exfoliant as a customised resurfacing exfoliation prior to treatments or for home care prescription for aged, sun damaged skin, blend between hands then apply to the skin.

### Method of use

For the treatment of pigmentation and acne apply every day at home on affected areas. After cleansing the skin, apply 2-3 pumps to dry skin, massage lightly until absorbed. Follow with the application of moisturiser and sunscreen. It may be applied on targeted spots for uneven skin tone anywhere on the face or body. For further pigment inhibition, it may be used twice daily over Antioxidant Cocktail.

### Key ingredients

Kojic Acid & Liquorice, Argirilene & Syn-Coll, Squalane, HylaFuse Complex, Vitamin C(Magnesium Ascorbyl Phosphate), Vitamin A Ester (Retinyl Palmitate), Vitamin E Ester (Tocopheral Acetate), Pro-Vitamin B5 (Panthenol), Resveratrol, Lecithin, Rosehip Seed Oil, Hydrolysed Jojoba Protein, Extracts: Green Tea Leaf, Aloe Vera.

## Antioxidant Cocktail™

An environmental shield that neutralises free radical attack. Antioxidant Cocktail diffuses the ageing effects of pollution, stress and prolonged sun exposure.

### Key benefits

- Repairs and fortifies the signs of sun and environmental damage.
- Hydrates and revives for a visibly brighter tone.
- Re-texturises and smooths for a renewed, refreshed appearance.
- Restores vitality and energy to erase signs of fatigue.

### Doctor's tips

- Always ensure daily use and re-application of a sunscreen such as Cover Recover.
- Antioxidant Cocktail provides weightless coverage suitable for problematic or oily complexions.
- Add 3 pumps of Antioxidant Cocktail to your exfoliant as a customised resurfacing exfoliation prior to treatments – or for home care prescription for aged, sun damaged skin, blend between hands, then apply to the skin.
- Suitable for all skin types, skin conditions; pre-maturely aged, aged, sun-damaged, pigmented.

### Method of use

After cleansing the skin, apply 2-3 pumps of Antioxidant Cocktail to dry skin. Massage lightly until absorbed. Follow with the application of an appropriate moisturiser and Cover Recover sunscreen. For dehydrated, aged or sun-damaged conditions, 2-3 pumps of Vitamin Rich Repair may be applied over the top of Antioxidant Cocktail, followed with moisturiser.

### Key ingredients

Vitamin C (Magnesium Ascorbyl Phosphate), Vitamin B3 (Niacinamide), Argirlene & Syn-Coll, HylaFuse Complex, Glycerin, Hydrolysed Jojoba Protein, Extracts: Rooibos, Aloe VeraSqualane, Milk, Thistle, Lady's Mantle, Horse Tail, Soy Bean Seed, Grape Vine, Spelt, Alfalfa, Radish Seed.

## Hyla Active 3D Sculptured Mask

An innovative cloth mask that delivers potent hydration and healing repair for a stronger and more resilient feeling skin.

### Key benefits

- Hydrates and cools for immediate relief, nourishes and repairs for long-lasting comfort.
- Leaves the skin feeling revitalised, smooth and awakened, softening the appearance of fine lines, wrinkles, pores and acne scars.
- Plumps and firms for a rejuvenated effect.
- Suitable for all skin types and skin Conditions; aged, pigmented, sensitised, dehydrated, problematic.

### Doctor's tips

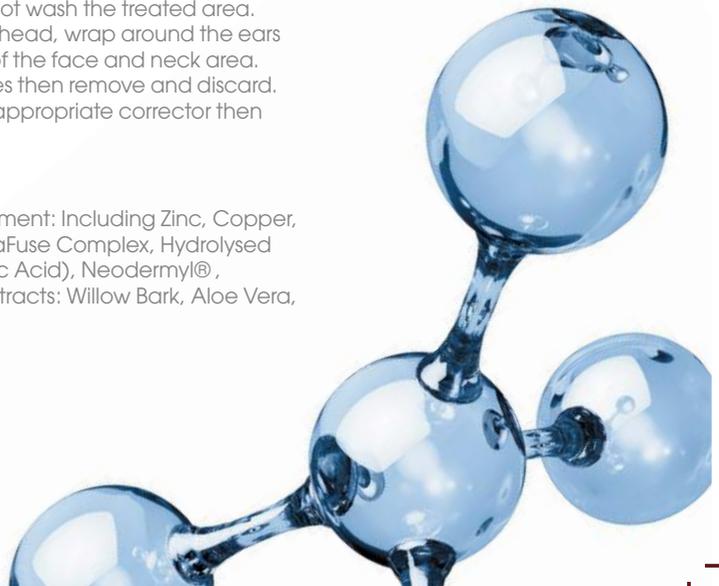

- Hyla Active 3D Sculptured Mask is single use only.
- The 3D Mask may be used as often as required, especially for demanding, reactive conditions.
- Hyla Active 3D Sculptured Mask is ideal as a pre-event skin prep.
- It may be applied immediately to the skin after any clinical procedure to accelerate healing, repair and comfort.

### Method of use

Immediately after treatment, do not wash the treated area. Apply to skin starting from the forehead, wrap around the ears then smooth over the remainder of the face and neck area. Leave to activate for 10–30 minutes then remove and discard. Follow with an application of the appropriate corrector then moisturiser.

### Key ingredients

Copper Peptides, Mineral Ore Ferment: Including Zinc, Copper, Iron, Magnesium, and Silicon, HylaFuse Complex, Hydrolysed Collagen, Vitamin B5 (Pantothenic Acid), Neodermyl®, Glycerin, Radish Root Ferment, Extracts: Willow Bark, Aloe Vera, Liquorice Root.

## Retinal Active™

An intense infusion of Vitamin A, this powerful combination of ingredients includes repair and rejuvenation properties and anti-aging antioxidants.

### Key benefits

- Visibly firms and lifts atrophied contours.
- Promotes regeneration and repair.
- Nourishes and comforts for increased resiliency.
- Absorbs easily.
- Improves hydration in and around skin cells.
- Combats skin damage from sun and ageing.
- Suitable for all skin types and Skin conditions; aged, pigmented, dehydrated, sun-damaged.

### Doctor's tips

- Use every third night (for 2 weeks) prior to skin needling and rejuvenation treatments as a skin prep.
- Suitable as a night cream; if irritation occurs, stagger the use to alternative nights or every third night.
- Recommence use 3 days after skin needling and rejuvenation treatments.

### Method of use

Post 3 days after Dermapen or rejuvenation treatments, resume using Retinal Active as directed. After cleansing, apply sparingly every third night (for 2 weeks), to cleansed face, neck and décolleté. Not Recommended for daily use during pregnancy, or as an immediate follow up to skin rejuvenation treatments.

### Key ingredients

Vitamin A (Retinaldehyde), Vitamin E, Neodermyl®, Hylafuse Complex, Resveratrol, Squalane, Liquorice Root, Grape Seed Oil, Vitamin E (Tocopherol), Vitamin E ester (Tocopherol Acetate), Pro-Vitamin B5 (Panthenol), Jojoba Esters, Amino Esters-1, Glycerin, Extracts: Alfalfa, Radish Seed, Milk Thistle, Lady's Mantle, Spelt, Horse Tail, Coralina Officinalis, Aloe Vera, Holy Basil Leaf, Eggplant fruit, Curcuma Longa Root, Ivy Gourd Fruit, Neem Flower/Leaf, Mango Butter Seed, Soy Bean Seed.

## Skin Veneer™

An intense moisturising for dry to very dry skin types, while protecting the skin against environmental factors. A powerful combination of active ingredients that replicate the skin's natural barrier function.

### Key benefits

- Protects skin like a veneer.
- Visibly firms and plumps the skin.
- Combats fine lines and wrinkles.
- Cools the skin and is easily absorbed.
- Improves skin hydration.

### Doctor's tips

- Protects skin from environmental factors.
- Can be used on normal, aged and sensitive skin types.

### Method of use

Apply to face, neck and décolleté. Allow to absorb and dry before applying SPF.

### Key ingredients

Bran Oil, Shea Butter, Copper Peptides.

## Cover Recover™

A breathable SPF30 camouflage foundation, using cutting edge technology to provide superior cooling, moisturising and healing properties.

### Key benefits

- Reduces inflammation and redness.
- Nourishes and hydrates, covers and soothes.
- Softens the appearance of fine and deep lines.
- Encourages intensive regeneration and repair.
- Veils skin instead of "coating", provides good coverage without clogging pores.
- Suitable for all skin types and skin conditions aged, pigmented, dehydrated, problematic, post-operative.

### Doctor's tips

- Use Cover Recover immediately after rejuvenation treatments such as needling.
- Pat and Blend gently, do not rub into skin.
- It is suitable as a daily breathable foundation and SPF30 for all skin types.
- Do not apply in eyes.

### Method of use

After cleansing the skin, apply a small amount to each section of the face and blend gently across the entire face. For chronically aged or sensitised skin, apply Vitamin Rich Repair before Cover Recover.

### Key ingredients

Copper Peptides, Neodermyl®, Hyaluronic Acid (HylaFuse™), Vitamin C (Ascorbyl Palmitate), Adenosine Triphosphate, Retinyl Palmitate, Pyrus, Hydrolyzed Vegetable Protein, Vitamin E (Tocopheral), Titanium Dioxide, Zinc Oxide, Dimethicone, Mica, Bismuth Oxochloride, Cyclopentasiloxane, Allantoin, Phospholipids, Beta Carotene, Peppermint Oil, Proline, Jojoba Esters, Acetyl, Tyrosine, Extracts: Malus (Apple) Fruit, Vitis Vinifera (Grape) Seed.
